

Amendments to the Claims:

This listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims:

Claims 1-3 (Canceled).

4. (New) A headliner ventilation system for a vehicle, comprising:

a headliner air duct, and

a pillar air duct integrally formed and in fluid communication with said headliner air duct by use of a flexible hinge portion for selectively positioning said headliner ventilation system between a compact state and an extended state.

5. (New) A headliner ventilation system as claimed in Claim 4, wherein said flexible hinge portion includes a plurality of accordion-like corrugations.
